From the West

October saw the DDGMs official visit to Mokanna with his committee men. It was an honor for us to receive them. With the cooler days of November being here it's the perfect time for the world famous Mokanna BBQ. This is being held on Saturday 7th 11am - 1pm. It will be our pleasure to serve you. Pulled pork, chicken, beans and slaw with a dinner roll. Desserts will be available to purchase by are very own Rainbow girls

For those who have not been to the Lodge in a while. The outside parking lot (car park to the English) has been sealed coated and re stripped and the disabled parking area revamped to meet codes.

The budget for 2021 Will be handed out at our next meeting on 9th November for your viewing. If you cannot make the meeting and wish a copy please contact me to arrange.

I'm sure our Junior Warden will have a tantalizing deliciously meal that will tease and torment our senses, especially our taste buds

Reminder there is only 3 more meeting before the end of the year and on 2nd January 2021 it is the installation of our new officers, I look forward to seeing you at the up at coming meetings and especially the Installation.

Have a Happy Thanks giving from my family to you and your families

Be safe & well,

Mark Charlton, S.W.

DIRECTIVE NO. 13

To: The All Particular Lodges

It has been brought to my attention that the CDC guidelines of taking the temperature of all attendees upon entering events such as our Lodge Meetings and social events are not being followed. It is of the utmost importance that we continue to use this simple precaution of taking one's temperature before they enter our events. It is the first line of defense to protect us from spreading COVID-19. Therefore, as Grand Master of Masons of Florida, I hereby **ORDER AND DIRECT** that at every Masonic event that assembles in any form a temperature reading shall be taken on every person that enters the event. Anyone with a temperature of 100 degrees or greater will not be allowed to enter the event. All other CDC guidelines will continue to be enforced throughout the Jurisdiction of Florida; including hand sanitation stations being required; masks being required by all attendees; and social distancing will be enforced in addition to taking the temperature of all attendees.

Take due notice and govern yourselves accordingly.

Sincerely and fraternally,

Thomas L. Turlington, Jr.
