From the East

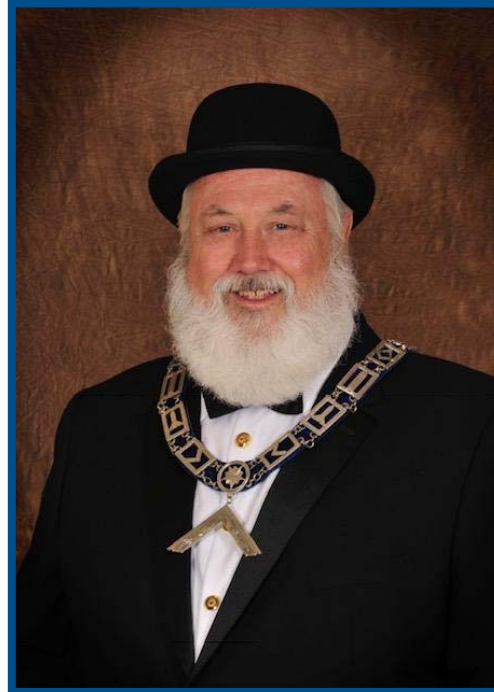

Greetings Brothers,

January has been a very busy month in the Proud 16th District. Mokanna #329 was very well represented at all of the District lodge installations.

I would like to thank Frank Walker and Dennis Ickes for their long commitment to maintaining the Lodge landscaping and property. It is a lot of work and we have now engaged a lawn service to take care of the front landscaping on a regular basis. This company will also be caring for the back property once a month, including mowing. We will be putting together a work party some time soon to trim the tree limbs that we can reach, and to take care of repairing the chain link fence issues around the property.

The lobby furnishings have been replaced with some gently used furniture and new lamps. It is a work in progress but the goal is to improve the first impressions of the building for renters and for the lodge members and visitors. We will be doing interior painting in the early summer as the heat forces us indoors. In the meantime, our focus is outside: Repainting the front of the building, the porch, and installing uplighting against the building. The porch and drive were pressure washed mid-month. New lights have been installed under the porch ceiling to bring more safety lighting to the front door area. Additionally, the kitchen storage room floor and old cabinets have been ripped out in preparation for repainting and tiling the floor. Repairs were made to the ice machine drainage lines to avoid drips on the new flooring. Thank you for your patience as we complete the storage room project. Things will be looking cleaner and fresher in there very soon. I'd like to thank Mark Charlton, Dawn Charlton, and Donna Robinson for their efforts in cleaning the kitchen cabinets and reorganizing everything. Much appreciated!

Please stop by if you have not been to the Lodge in a while. We would love to see you.

From the West

Greetings from the West,

Well, January is already behind us, where does the time go! Our Stated Meeting will be on Monday, February 11th, and Monday, February 25th.

Our Rainbow Girls have their installation on Saturday, February 2 so please come out and support our Assembly and these young people.

The Proud 16th District Annual Fellowship Ball will be on February 16th at Ormazd Grotto. This will be my first time attending and I am really looking forward to it.

Thank you to everyone who attended our January meetings. We have gotten off to a great start for the year and let's keep it rolling!

Fraternally,

Kenneth L. Foster, 199, S.W.

From the South

Remember it's the romantic month of February, so heads up brothers remember to buy your significant other at least a card. Hoping the month of February will see warmer weather. January had a great attendance and I hope we can keep it going throughout the year.

Our WM has exciting ideas on updating the building inside & out and these have already started. I look forward to working with all of you with helping WM John to achieve this vision. It will be good to see as many as can make it for work days. I know the officers are eager to help.

And now onto your culinary delight to tingle your senses
